MOTION TO FILE A LATE
NOTICE OF CLAIM

INSTRUCTIONS FOR USE

This form is to be used to file a late notice of claim in a reporting area where the director's report has been filed and is made a part of *SRBA Administrative Order 1*, Section 4A (amended June 21, 1993), which may be consulted for further information.

A motion for premission to file a late notice of claim requires you to certify that it is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase the cost of litigation.

You may copy or reproduce this form. If you do, the text must be on the front and back of each page exactly as it appears here. Fill out the form completely and attach all fees or the court will not accept the motion for filing. The Verification and Certificate of Mailing must be completed. Check each box to verify you have followed the instructions.
