RE: Adjudication
ID# A36-107209

10729

95-08-0024

Dear Sirs:

I have recently been made aware that I did not fill out my adjudication papers correctly. When I filled out these papers I put down the number of stock I had on the place at the time not realizing that I should have put down the number of stock that it was set up for. I would like to have the number of range cattle changed from 30 to 200. I just didn't understand what the papers were asking for.

Please advise me what I need to do to make the change in the number of cattle.

Thank you in advance for your cooperation in this matter.

Sincerely,

Loren Wert
