Case No. 39576

) Subcase No.: 34-10532

)
) ORDER VACATING SCHEDULING
) CONFERENCE; ESTABLISHING
) DEADLINE FOR SF5; SETTING
) STATUS CONFERENCE

On August 11, 1995, the United States filed a *Stipulation to Vacate Scheduling Conference* for this subcase. The court has imposed multiple deadlines and schedules for this subcase in an effort to speed its resolution. At the request of various parties, many of the deadlines and hearings initially scheduled have been reset. The parties reported at a status conference June 30, 1995 that they were close to reaching an agreement, and that a *Standard Form 5* would likely be submitted by August 15, 1995. At the request of the parties, the scheduling conference previously set for July 25, 1995 was reset for August 15, 1995.

The parties now ask the court to reschedule a scheduling conference which has already been continued once. However, according to the parties, the resolution of this subcase involves a complicated process of accomplishing a "land swap." Although such multiple requests to reschedule court deadlines might normally be unreasonable, the practical problems involved in resolving this matter require consideration. For that reason, the court shall vacate the scheduling conference set for August 15, 1995 in this subcase.

IT IS ORDERED that:

1. The Scheduling Conference previously set for August 15, 1995 is **vacated**.

2. A Status Conference for this subcase shall be held at 10:00 a.m. on September 22, 1995, at the SRBA Courthouse, 253 Third Avenue North, Twin Falls, Idaho, unless a *Standard Form 5* has been submitted prior to that date. Parties may participate by telephone by contacting the clerk prior to September 14, 1995.

DATED August 11, 1995.
