Memorandum For Record

Subject: Telephone conversation regarding well(s) for Adjudication Claim 94-8965

1. I received an incoming telephone call for Mr. Dwain G. Davis during the week ending June 14, 2013. Mr. Davis called in response to my request that he contact me in a June 13, 2013 IDWR letter to him.
2. Mr. Davis and I discussed corrections to his Adjudication claim. He indicated during the telephone conversation that his well with IDWR Tag D0017056 replaced an earlier shallow well on his property that was constructed with the home on his property tax parcel (RP48N03E023200) in 1947.
