## AGREEMENT FOR SERVICE

THIS AGREEMENT made and entered into this 15 day of August, 19 52, by and between THE WASHINGTON WATER POWER COMPANY, hereinafter called the "Company," and Village of Huetter, hereinafter called the "Customer," Witnesseth:

SERVICE TO BE SUPPLIED: The Company will supply and the Customer will take all electric power and energy required by the Customer for pumping for community water system purposes, at present amounting to approximately 5 kw. Electric power and energy to be supplied hereunder will be 3 phase, 3 wire, approximately 60 cycles, approximately 210 volts, and will be delivered by the Company to the Customer at City Well.

TERM: The term of this agreement will be for a period of five (5) years beginning \_\_\_\_\_ and will continue in effect for an additional five (5) year period after the expiration of the initial five (5) year period unless either party hereto shall notify the other in writing not less than six (6) months prior to the expiration of the initial five (5) year period of its intention to terminate this agreement at the close of the initial five (5) year period.

RATE: Each month during the term of this agreement the Customer will pay the Company for the electric power and energy delivered to it during the preceding month in accordance with the terms of the Company's Schedule 36 as filed with the State regulatory body having jurisdiction, and in effect at the time power and energy is furnished hereunder, except that in the event this agreement is breached by the failure of the Customer to purchase its power requirements hereunder, the Customer will pay as liquidated damages for each of the remaining months of the term of this agreement, herein provided, a monthly charge based on the highest maximum demand established during the 11 months preceding such breach and computed on the demand charge of the rate schedule above provided, but not less than \$1.25 per kw of demand.

RATE REVISION: Should the Company currently have in effect any other applicable rate schedule, the Customer if he so elects may have such schedule substituted for the schedule herein, except that a change in schedule shall not be made more often than once in any 12 months' period.

RULES AND REGULATIONS: This agreement is subject to all applicable rules and regulations of the Company as on file or as may hereafter be filed with the State regulatory body having jurisdiction.

THIS AGREEMENT will inure to the benefit of and be binding upon the successors and assigns of the respective parties hereto.

THIS AGREEMENT terminates and supersedes agreement between the parties dated None

IN WITNESS WHEREOF the parties hereto have caused this agreement to be executed by the respective officers thereunto duly authorized the day and year hereinabove first written.

ACCEPTED:

THE WASHINGTON WATER POWER COMPANY

Dear Sirs:

This is a bid on a Deep Well Water System, converting from  $7\frac{1}{2}$  H.P. to 10 H.P. using same column and shaft.

This pump will deliver 80 gals. per. minute at 60 lbs. pressure.

|                            |            |
|----------------------------|------------|
| New Berkeley Bowl Assembly | \$ 639.00  |
| New 10 H.P. 1800 RPM Motor | 439.00     |
| Bearings for pump column   | 80.00      |
| Approximate labor          | 460.00     |
|                            | <hr/>      |
|                            | \$1,618.00 |

We cannot pin point the labor down as we do not know how much trouble it will be to pull the column and shaft.

Yours truly,

*E. N. Surplus*
