) **REQUIRING STANDARD FORM 5**

According to the Director's Report, Water Right Number 34-00784 was claimed by Jimmie and Elsie Waddoups. Two objections to this water right were filed February 26, 1993, one by the United States Department of Justice, Environment and Natural Resources Division and the other by the United States Bureau of Land Management. The State of Idaho Department of Water Resources filed responses on June 4 and June 25, 1993. The Waddoups also filed responses on June 25, 1993. Subsequently, on January 30, 1995 the United States filed its *Stipulated Motion to Withdraw Objections (Stipulated Motion)* stating, "That all objections in the pending subcase are withdrawn by the United States and dismissed with prejudice" The Signatories to the *Stipulated Motion* are Jimmie and Elsie Waddoups, The United States, and The Idaho Department of Water Resources.

The court will treat the *Stipulated Motion* as a request by the United States to withdraw as a party to this subcase, and dismiss both objections with prejudice. No party to this subcase has filed an objection or other pleading responding to the *Stipulated Motion*.

Therefore, based on the file and record herein, and good cause appearing, IT IS ORDERED that the United States is **dismissed as a party** to this subcase. IT IS FURTHER ORDERED that both objections filed by the United States are **dismissed with prejudice**.

IT IS SO ORDERED.

DATED: September 20, 1995.
