Re: Coeur d'Alene-Spokane River Basin Adjudication Claims (CSRBA) Claim No. 93-7280 and 93-4035

Dear Mr. Floch:

I have reviewed your CSRBA Beneficial Use Claim 93-7280 and June 27, 2012 letter following our meeting at the Idaho Department of Water Resources (IDWR) Northern Region office. I have a couple of questions concerning your intent.

Please contact me after you have reviewed the enclosed copy of your Beneficial Use Claim (93-7280), the original Statutory Claim (93-4035), and maps. I need to clarify if it is your intent to claim Instream Stockwater use on unnamed streams leading to Little Plummer Creek and if the springs sink into the ground or flow across the surface to Mocketme Creek or unnamed streams that reach Little Plummer Creek.

I also need to brief you on a split of 93-4035 into two separate water rights. This is necessary because points of diversion (Springs) lie in both Basin 93 and Basin 95.

My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
