RE: 93-7185

Dear Mr. Brown:

We reviewed your Claim to a Water Right. Your claim indicates the domestic use is from a ground water source (hand dug well) and a surface water source (spring). Only one source is allowed per claim. In order to record both uses an additional claim needs to be filed. We suggest amending 93-7185 to remove ground water and another claim be filed listing ground water as the source.

If you have any questions, please contact us.

Sincerely,

Kenneth Knoblock  
Water Resources Agent
