RE: 93-7183

Dear Mr. Dyer:

Based on your July 11, 2011 letter we are able to construct a Notice of Claim for stock water use. We completed a claim for your review. If you are in agreement with the information on the claim, please sign it and return it to our office. If anyone decides to build a residence, they will still have the opportunity to contact us about developing a water right.

Sincerely,
