RE: 93-7165

We reviewed your Claim to a Water Right (a copy is enclosed). Your claim indicates the domestic use is from a ground water source and a surface water source (Hangman Creek). Only one source is allowed per claim. In order to record both uses an additional claim needs to be filed to record your water rights.

It appears that one claim should have the domestic use and the other claim list the stockwater use from Hangman Creek.

We have enclosed a blank claim form for your use.

If you have any questions, please contact us.

Sincerely,
