On January 11, 2013, Indian Cove Irrigation District filed a *Motion to Set Aside Partial Decrees* in the above two subcases. The *Partial Decrees* were entered on May 12, 2009 by former SRBA Presiding Judge John M. Melanson. The *Motion* seeks to correct the decreed acreage and place of use to accurately reflect the historical beneficial use.

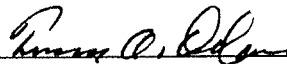

In the interest of economy and to ensure adequate notice to other water users, the parties, including Rivendale LLC, and IDWR agreed the following deadlines would be appropriate to expedite the matter.

THEREFORE, IT IS ORDERED that:

1. IDWR shall file with the SRBA Court no later than **Friday, August 30, 2013**, a proposed amended director's report reflecting the accurate acreage and place of use, and
2. Objections to the proposed amended director's report shall be filed no later than **Monday, September 30, 2013**.

In the event no objections to the proposed amended director's report are filed, the Special Master will then file a report recommending the two *Partial Decrees* be set aside and amended as described in the proposed amended director's report.

DATED June 20, 2013.
