RE: STATUS REPORT ON A71-10088, A71-10089A, A71-10089B, A71-10729,
A71-07127, A71-07128A A71-07128B, AND A71-04031

Dear Mr See

CLAIMS REQUIRING AMENDMENT
A71-10088, A71-10089A, AND A7110089B

You indicated that those claims have the wrong legal description. At this stage of the adjudication process the method to correct those errors is for you petition the court to amend your adjudication claims to the correct legal description.

To assist you I have enclosed an amended version of each claim listed above. Please carefully review each claim to make sure that the information is correct. You indicated that the correct quarter-quarters for these rights was the NE $\frac{1}{4}$ NE $\frac{1}{4}$ rather than the NW $\frac{1}{4}$ NW $\frac{1}{4}$ and I have updated them as such. Please make sure that the section, township, and range is correct. If there is an error, cross out the incorrect information, enter the correct information, and then initial the change. Once the claim is correct, you and your wife need to sign the claim forms and have your signatures notarized.

For each claim you also have to complete the relevant sections of the standard form 4s that are enclosed. Please note that only one claim can be listed on that form. You do not have to fill out the section (beginning on page 2) concerning MOTION TO FILE A LATE NOTICE OF CLAIM. Please note on the top of page 4 that it requests documentation to support the amendment. Primarily this could be a copy of the aerial photograph showing the township, range, section and the quarter quarter location of your property. Your warranty deed may also have sufficient information to support your amendment.

The amendments that you are making to those claims do not include any additional fee requirements.

REDFISH LODGE ADJUDICATION CLAIMS
R71-04031, A71-10729, R71-07127, R71-07128A, AND R71-07128B

I have enclosed copies of the claims filed by the Forest Service and yourself. Please note that R71-04031 is being recommended as A71-10729. That use has been reviewed but a recommendation has not been completed at this time. I have not had the opportunity to carefully review the files relating to the above claims and, therefore, I cannot state with certainty that the records that I have mailed to you represents the department's recommendation on these rights.

If you have additional questions please contact this office.

Sincerely

Kelly K Christensen
Sr Water Resource Agent
