RE: WATER RIGHTS

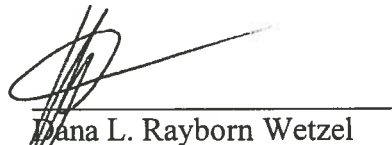

Dear Mike:

We represent CPM Development Corporation regarding certain water rights. In the process of filing adjudication claims for water rights it came to our attention that two water rights on the recently annexed Riverstone properties are still listed under Central Pre-Mix Concrete Co. The water rights at issue are Water Right No. 95-7090 and Water Right No. 95-8801. Central Pre-Mix through CPM Development will not file an adjudication claim for these two water rights, and we did not want the permits to fall through the cracks and be missed in the adjudication process. This letter is to inform you that we believe that the city should file these as part of it's municipal water supply.

If you have any questions, please contact me at your convenience.

Sincerely,

WETZEL, WETZEL
