Re: 95-14304

Dear Mr. Hicks:

We have reviewed your Notice of Claim. The date of priority is listed as May 20, 1966. Would you please send us some type of documentation that supports that date? Documentation can be anything to support the date, such as a statement from neighbor who knows when the house was built, a statement from the county indicating when the house was put on the tax rolls, a date that is etched in concrete, etc.

Thank you.

Sincerely,

Kenneth Knoblock
Water Resource Supervisor

Enclosed is a statement from
