Memorandum For Record

Subject: Telephone conversation regarding Period of Use & Number of homes for Adjudication Claim 94-8945

I received an incoming telephone call from Gordon Millholland on July 8, 2013. Mr. Millholland stated in the call that he wants his Claim to be for 365 day per year Domestic Use for one home.

A handwritten signature in blue ink, appearing to read "Shaun M. Maxey". The signature is fluid and cursive, with a large loop at the end of the last name.
