Re: Water Right No. 02-10197; formerly a portion of 02-07154.

Dear Denise:

Triangle Dairy, the original owner of the above referenced water right, forwarded to me your letter dated August 14, 2001, confirming an ownership change for a portion of water right no. 02-07154 (copy attached). As described in your letter, that portion of the right remaining under the ownership of Triangle Dairy was renumbered water right no. 02-10197.

Triangle Dairy sold a portion of the place of use identified by 02-10197 to Simplot on March 22, 2000. I am enclosing a copy of the Warranty Deed recorded in the real property records of Owyhee County on March 22, 2000 as instrument no. 231800 along with a Notice of Change of Water Right Ownership completed on a form provided by the IDWR.

That portion of the water right no. 02-10197 acquired by Simplot only affects the places of use within:

T.6S R.3E Section 11: SE $\frac{1}{4}$ SW $\frac{1}{4}$ (32 acres)

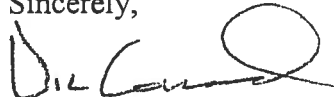

T.6S R.3E Section 14: NE $\frac{1}{4}$ NW $\frac{1}{4}$ (28 acres)

Total: 60 acres

Using .0197 cfs/acre (or 8.845 gallons per minute per acre), the diversion rate licensed under the original water right no. 02-07154, the proportionate share of the diversion rate acquired by Simplot is 1.19 cfs.

Please update your records to correspond with to this ownership change and should you have any questions, please contact me.

Sincerely,

Vic Conrad

Renumbered to Notice of Claim to a Water Right No. 02-10197 (0.0197 cfs/acre or

8.845 gpm/acre)

Dear Claimants:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by issuing a new water right number to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new water right number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new claim for your records. Please refer to your new claim number when corresponding with our office. Also enclosed is a copy of the original claim for your reference.

If you have any questions concerning this ownership change, or the enclosed claim copy, please feel free to contact this office.
