Enclosed are copies of your Claim Nos. 02-10219 and 02-10221. These claims were a result of a split of Claim Nos. 02-7363 and 02-10056.

Claim No. 02-7363 was originally filed for 73 acres, 1.46 cfs with a 10-9-1981 priority date. Claim No. 02-10056 was originally filed for 408 acres, 8.16 cfs with a 1-11-1963 priority date. These claims were then amended to show a permissible place of use of 481 acres for each claim. The amounts of water for each right remained the same.

A change of ownership was submitted which resulted in a split of these water rights. Your portion of this split is .9 cfs of the 1963 right and .16 cfs of the 1981 right for a total of 1.06 cfs or 53 inches for 53 acres. Martha Rosti's remaining portion is 7.26 cfs of the 1963 right and 1.3 cfs of the 1981 right for a total of 8.56 cfs or 428 inches for 428 acres.

If you have any questions concerning these claims, please feel free to contact me.

Sincerely,

JAN SHURTE

MEMORANDUM

TO: Claim File Nos. 02-10218 thru 10221

FROM: Jan Shurte

SUBJECT: Amended Claim and Splits

DATE: 1-21-03

Darrell Rosti, Duane Rosti and Charles Pintler came into my office concerning an ownership change for 02-7363 and 02-10056. Right No. 02-7363 has a priority date of 1981 and 02-10056 (which is a combination of 02-2194B & C) has a priority date of 1963.

Mr. Pintler was under the impression that when he purchased the 53 irrigated acres in the SWSE and SESE, S1, T1N, R3W that he purchased some water rights with a 1963 priority date. The SWSE and SESE, S1 were actually covered under 02-7363 (1981 date) only. Since the system under these two rights is a combined system irrigating a total of 481 acres they all decided to complete a permissible place of use for each right, then split the rights according to Mr. Pintler's 53 acres and the remaining 428 acres for the Rosti's. They are still operating the system as one system at this time.

The result of those splits are 02-10218 (1981) and 02-10221 (1963) for Mr. Pintler's portion and 02-10219 (1981) and 02-10220 (1963) for the Rosti's portion. These rights were proportioned out based on the permissible place of use for 481 acres and a total of 9.62 cfs (the total of 02-7363 & 02-10056). The permissible place of use amended claims were based on an accomplished transfer prior to 1987.

Original Notice of Claim to a Water Right No. 02-10056
Renumbered Notice of Claim to a Water Right No. 02-10221

Dear Claimant(s):

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. The new Notice of Claim to a Water Right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time.

Please note that the enclosed Notice of Claim to a Water Right is not a determination of your water right. This claim represents a split of the claim filed by a previous owner during claims taking in the Snake River Basin Adjudication (SRBA) and has not yet been verified by this Department. Water rights are established and maintained by beneficial use of water for the uses designated on this claim form dating back to the priority date listed. This claim will be investigated, verified and recommended to the SRBA Court for court decree sometime in the near future. You will be notified prior to the beginning of any verification of this water right.

Please feel free to contact this office if you have any questions concerning your claim or this letter.

Sincerely,

Adjudication Section
