Case No. 39576	)	SUBCASE NO: 34-00129B
	)	
	)	
	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right under state law or one water right acquired under federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law, and that they have appeared, prosecuted and defended their positions with regard to this water right dispute.

Instructions For Use

Elements where there has been no objection should be listed exactly as they appear in the director's report. The statement as to an uncontested element shall state "as recommended in the director's report."

Contested elements that are the result of an objection filed with the court shall be accompanied by a statement fully describing all facts, documents, expert opinions and law which support the element of the water right (attach additional pages if necessary).

IDWR and the parties stipulate that water right no. 34-00129B is correctly described in the director's report.

The stipulation of the parties is attached hereto and incorporated herein by reference.

DESCRIPTIVE SUMMARY

This is a stipulation to resolve the objection to water right number 34-00129B.

STIPULATION

To resolve the dispute over the above-captioned water right, the Idaho Department of Water Resources (IDWR) and Catherine and Cartee Wood (the claimants), stipulate and agree that:

1. The Standard Form 5 for water right no. 34-00129B, attached hereto and incorporated by reference herein, sets forth the description of the water right as described in the director's report. All decrees, whether partial or final, should describe the water right as shown in the director's report.

2. The Standard Form 5 and this stipulation have been reached through good faith negotiations for the purpose of resolving legal disputes, including pending litigation, and all parties agree that no offers and/or compromises made in the course thereof shall be construed as admissions against interest or be used in any legal proceeding, and that this agreement is not and shall not be used as precedent for any other claim to a water right.

3. All parties agree to bear their own costs and attorney's fees in connection with this matter.

4. The Standard Form 5 and this stipulation were entered into and executed voluntarily by all parties in good faith, and without any fraud, misunderstanding, overreaching, misrepresentation, duress, or undue influence whatsoever.

Dated this 5 day of 28, 1995.
