Re: Change of Ownership

Dear Claimant:

It has come to our attention that you may have sold a tract of land in Payette County that has been filed on in the Snake River Basin Adjudication (SRBA). Our information suggests that Alan Burns and Duane and Katheryn Waldemer now own this property. According to our records, you are the most recent owners of this property. The legal description is as follows:

Approximately 30 acres within T09N R05W S11 NENW, NWNW, SWNW, & SENW

Idaho Department of Water Resources received ownership change information from Duane and Katheryn Waldemer. We have not received any information from Alan Burns. In order to correctly split these water rights we need an ownership change form from Alan Burns as well as any additional information that you can provide related to the split of these water rights, including if you are retaining any portion of the property that was originally irrigated under these rights. We have enclosed copies of the recommendations for these water rights. When reviewing the enclosed recommendations, please note that you may only own a portion of these rights.

Please respond by encouraging Alan Burns to submit the Change in Ownership form if you have contact with him. We are sending him a copy of the information he needs to submit the Change in Ownership form. Also, if there is any additional information relating to the split of these water rights that would be helpful, please respond by letter or phone call. Please send copies of any documents you have that support your information. We sincerely appreciate your help in correctly changing the ownership for these water rights.

If there have been additional changes in the ownership of the property connected with the water right claim(s) referenced above, please call this office toll-free at 1-800-451-4129 so we can contact the new owner(s) regarding their water right(s).
