Additional explanation or supporting documentation of the error:

A Pope Ditch Company water user's land was not included within the digital boundary for Water Right No. 75-04108 (Pope Ditch Company). The right was partially decreed June 11, 2009.

The Department's records show the land was claimed, and the omission of this land on the preliminary recommendation was identified on a notice of error. The Pope Ditch Company contacted IDWR and stated this land has historically received water from the Pope Ditch.

Only the digital boundary will change. There are no other changes to the water right. A new map and CD reflecting the new digital boundary are attached.

For more information about the error the Court and/or water right holder should contact the person identified below.
