Re: 93- 7282 & 93-7283

Dear Mr. Jensen:

We have reviewed your Notice of Reply. Enclosed is a map that we used to make our recommendations. The streams are shown as the blue lines with the vertical blue lines and your ownership is show blue lines without any lines. The streams do not flow in NWNE, so we did not list it the place of use. If there is a stream in the NWNE, please draw the location on the map and return it to our office.

If you have any questions, feel free to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Knoblock', written over a light blue horizontal line.
