Case No. 39576	)	
_____	)	

DESCRIPTIVE SUMMARY

This document is the State of Idaho's motion to participate in Subcase No. 27-11560 which objects to a water right described in The 1990 Fort Hall Water Rights Agreement.

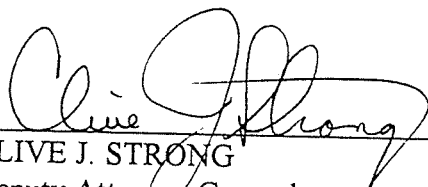

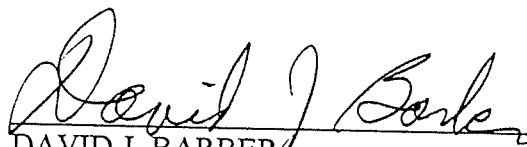

MOTION

The State of Idaho moves to participate in the Subcase No. 27-11560 in accordance with I.R.C.P. 24 and section 6(g) of SRBA Administrative Order No. 1. The grounds for this motion are as follows:

1. The State of Idaho actively participated in the negotiations that led up to The 1990 Fort Hall Water Rights Agreement (the "Agreement") and has approved the Agreement.
 2. This Agreement resolved the nature of a very large claim for a reserved water right. Thus, the State of Idaho has a substantial stake in the outcome of the negotiations.
 3. No other party is able to represent the interests of the State of Idaho in this matter.
- The State of Idaho requests the opportunity to be heard and present oral argument on this matter.

DATED this 20th day of December, 1994.
