MEMORANDUM FOR RECORD

SUBJECT: Parcel Identification Number (PIN) for Adjudication Claim 94-8375

I spoke with Mr. James E. Wilson via telephone today concerning the July 12, 2013 letter I had sent him. My purpose in contacting Mr. Wilson was to confirm that the well he uses is located on his property, that he has only one home, and that he has only a single property tax parcel (RP48N05E350130).

Mr. Wilson stated that the property tax parcel boundary shown on the map attached to my July 2013 letter is somewhat inaccurate because documents had not been properly recorded with the Shoshone County courthouse. He stated that the well is on his property, that he currently has one home on the property, and that the approximate location of the single tax parcel he owns (RP48N05E350130) is accurate.

I explained to Mr. Wilson that he would receive notice of IDWR's recommendation to the Court and how he can file additional claims or water right permit applications for Irrigation use.
