Partial Decrees was issued for the above-captioned water rights on October 6, 2008. On July 17, 2013, the Idaho Department of Water Resources ("Department") filed a *Request for Correction of Error*, requesting that this Court correct errors in the place of use element of the *Partial Decrees*. The *Request* asserts that on June 13, 2008, the parties filed a *Standard Form 5's* which, among other things, removed federal land from the digital boundaries originally recommended for the above-captioned rights. However, the rights were erroneously partially decreed with the digital boundary maps originally recommended for the rights instead of the digital boundary maps submitted by the parties with the *Standard Form 5's*. With respect to water right claim 01-233, the *Request* also asserts that although the *Standard Form 5* filed by the parties included a "5436 ACRES TOTAL" notation under the place of use element, the notation was erroneously omitted from the *Partial Decree*. Therefore, it is the intent of the Court to issue *Amended Partial Decrees* correcting the above-mentioned clerical errors in accordance with the corrected recommendations attached to the Department's *Request*. Copies of the proposed *Amended Partial Decrees* are attached as Exhibits A, B and C.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **November 19, 2013 at 1:30 p.m.** at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-215-446-0193 and when prompted entering code 406128 followed by the # sign. **However, no cell phones or speaker phones will be permitted as they interfere with our sound system making the proceeding difficult to accurately record.**
