**ORDER GRANTING A MOTION
TO FILE A LATE NOTICE OF
CLAIM**

95-01-0079

Patrick D. Brown, Hepworth Lezamiz & Hohnhorst, for Claimants William Barrows and Janel Beeman

Daniel L. Steckel, Deputy Attorney General, for the State of Idaho
Department of Water Resources

This matter came before the Court on January 17, 1995 upon a *Motion to File a Late Notice of Claim* filed on January 13, 1995 by William Barrows and Janel Beeman (movants). Movants filed a *Motion to File a Late Notice of Claim* for water right no. 34-00053C with the court on January 13, 1994.

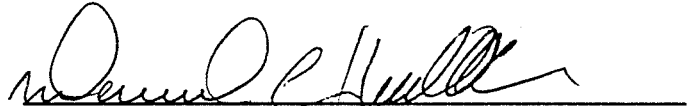

There were no objections to the filing of the late notice of claim. During hearing on the motion, it came to the court's attention that the water right listed in the motion (34-00053C) is a different water right number than now claimed by movants (34-13550). The movants and the State of Idaho, by and through IDWR, advised the court that an amended notice of claim for

water right no. 34-13550 is required from the movants, along with the proper late claim filing fee. The movants' motion was granted orally, with the understanding that the amendment requirements be complied with so that the late notice will reflect the correct water right number.

Accordingly, the movants' motion is GRANTED.

IT IS SO ORDERED.

DATED January 27, 1995.
