STANDARD FORM 1

**AMENDED
OBJECTION**

INSTRUCTIONS

95-01-0087

This form must be used to file an objection to a water right recommended in the director's report. ***Only one party/claimant may object to one water right per objection form.*** To object to more than one water right, you must file a separate objection form for each. Forms may be obtained from the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you do, the text must be on the front and back of each page exactly as it appears here. The objection must be received by the court on or before the deadline specified in the Notice of Filing the Director's Report that IDWR mailed to you. Follow the Instructions for Mailing this objection (Page 6) or the court will not accept it for filing. This form has been adopted by the court in ***SRB4 Administrative Order 1*** (amended June 21, 1993), Section 4, which may be consulted for further information.

Any party filing 25 or more objections must make an appointment with the Clerk of the SRBA Court.

By filing an objection form, you are certifying that the objection is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase the cost of litigation.

REASONS SUPPORTING EACH BOX CHECKED

In the space following, you must state the reason(s) by number for each box checked. You may use additional pages if necessary.

The reasons stated in the original Objection filed by Claimant are incorporated herein by this reference. In addition, the Water Right is based upon a license issued by the Idaho Department of Water Resources ("IDWR") which specified March 15 to November 15 as the period of use for the Water Right. The Water Right has historically been used during this licensed period of use. Claimant and its predecessors have a vested interest in and have relied upon this period of use. IDWR is estopped from and has waived any right it may have had to change the licensed period of use or recommend such change.

CHANGES TO THE DIRECTOR'S REPORT

Specifically describe how you want the Director's Report to be changed. You may use additional pages if necessary.

The changes described in the original Objection filed by Claimant are incorporated herein by this reference. In addition, the period of use should be changed to March 15 through November 15.

Please note: You should attach copies of documents which support your objection. Note on each document the "box number" it supports.
