This form must be used to file an objection to a water right recommended in the director's report. *Only one party/claimant may object to one water right per objection form.* To object to more than one water right, you must file a separate objection form for each. Forms may be obtained from the Idaho Department of Water Resources (IDWR), or you may copy or reproduce this blank form. If you do, the text must be on the front and back of each page exactly as it appears here. The objection must be received by the court on or before the deadline specified in the Notice of Filing the Director's Report that IDWR mailed to you. Follow the Instructions for Mailing this objection (Page 6) or the court will not accept it for filing. This form has been adopted by the court in *SRBA Administrative Order 1* (amended June 21, 1993), Section 4, which may be consulted for further information.

Any party filing 25 or more objections must make an appointment with the Clerk of the SRBA Court.

By filing an objection form, you are certifying that the objection is well-grounded in fact; is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase the cost of litigation.
