)

On December 21, 1994, Big Lost River Water Users Association filed a *Motion to Continue Mandatory Settlement Conference* and *Affidavit of William R. Hollifield* in support of the Motion in this subcase. The grounds for the Motion are that Big Lost River Water Users Association's attorney has a trial scheduled for the same date as the Mandatory Settlement Conference.

The Court granted the *Motion to Continue Mandatory Settlement Conference* on December 23, 1994.

IT IS ORDERED that the parties shall comply with the Requirements of SRBA Administrative Order No. 8 for resetting the Settlement Conference. Specifically, the parties must:

1. Contact the clerk of the SRBA Court and obtain alternative dates and times (208-736-3011).
2. Contact each party to the subcase or their attorney, and reach an agreement on the alternative date and time provided by the clerk.
3. Prepare and file with the court a *Stipulation to Reset* the Settlement Conference. The Settlement Conference must be reset on one of the dates and times provided by the clerk or it will not be accepted for filing. The stipulation must specify the date and time agreed to and must contain a statement that the party moving to reset the Settlement Conference has contacted each party or their attorney and that all have agreed on the alternate date and time. The court will send a notice resetting the hearing.

4. The parties must submit their *Stipulation to Reset* with the court no later than January 18, 1995.
