Re: Amended Notices of Claim - Basin 71.

Department of Water Resources
Southern Region

Dear Allen:

I am filing amended claims for the United States of America on behalf of the U.S. Department of Agriculture Forest Service ("Forest Service") in Basin 71 of the Snake River Basin Adjudication for the upcoming Director's Report for Irrigation and Other Water Rights. These amendments are based upon Forest Service information and information from IDWR field investigations. A brief description of these claims follows:

1. Two unnumbered claims at Merritt Spring. This is in lieu of 71-02107. I do not anticipate pursuing this irrigation claim. However, the Forest Service maintains a pasture for horses and mules at Tuckaway Ranch that requires stockwater claims. One claim is for the Merritt Spring and the natural pond at this source. The second claim is for the ditch leading from this source out into the pasture. Kelly Christensen suggested that these will receive State identification numbers when they are received by your office. Please notify Steve Spencer when numbers are assigned to these claims. I understand that irrigation of part of the horse pasture as 71-07002 will be recommended.
2. 71-10277 and 71-10278 are for irrigation of 15 acres of land acquired by the National Forest System in 1974 and used by the Forest Service as pasture for government owned horses and mules.
3. 71-10726 is for irrigation of 20 acres of land acquired by the National Forest System in 1974.
4. 71-10728 is for irrigation of 11 acres of National Forest System land.
5. 71-10729 is for commercial use at Redfish Lodge, all situated on National Forest System land.
6. 71-10770 is for irrigation by the concessionaire of approximately 5 acres of National Forest System Land as the grounds and landscaping associated with Redfish Lodge.
7. 71-10871 is for irrigation of 67 acres of National Forest System land.

We will also be filing amended claims for several water rights associated with the Busterback Ranch and Valley Creek.

If you have any questions about these claims, or any other claims to water use by the Forest Service that are or should be involved in the Director's Report for Irrigation and Other Water Rights in Basin 71, please contact Steve Spencer or me.

Very truly yours,

Randall J. Bramer

RE: Evidence of Priority

RESPONSE DEADLINE

DECEMBER 1, 1993

Dear Mr. Breamer:

The Notice of Claims identified on the attached Selection File Contents Report have been filed in the Snake River Basin Adjudication (SRBA) in the name of the USFS. The Notices indicate these water uses are based on "Beneficial Use" Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date that has been claimed. Please find enclosed a pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. Since time is short we request that the evidence be submitted as soon as possible with a target deadline of December 1, 1993. If additional notices of claims are to be submitted by USFS for rights presently not claimed and the basis of those claims are "Beneficial Use" it is requested that the evidence of priority be submitted at the time the claims are filed.

Please note that the notices highlighted in yellow are associated with water rights that are based on decrees, licenses or permits. I don't know if this is a data entry error or these notices are intended to claim something different than the state law water right. If you could clarify this matter it will be helpful.

If you have any questions not covered by this letter or the enclosed pamphlet, please feel free to contact me at this office.

Respectfully submitted,

Allen Merritt, P.E.
Water Rights Supervisor
