	)	OBJECTION AND

	)	CONFERENCE
	)	

Descriptive Summary

This is the United States' Motion to Withdraw or
 Dismiss Its Objection and to Vacate Settlement Conference set for
 February 3, 1995.

The United States hereby moves to withdraw its objections to these claims. In support of this motion, the United States states that:

1. On or before March 1, 1993, the United States, on behalf of the Bureau of Land Management, filed a timely objection in subcase no. 34-02466B.

2. The United States has decided not to pursue this objection. There are no other objections in this subcase currently pending before the Court.

3. A settlement conference is currently scheduled in this subcase and initial disclosures have already been filed.

4. Because the United States does not intend to pursue this objection, there are no outstanding issues regarding this objection remaining. Thus, there is no reason to hold a settlement conference.

5. The United States has attempted to contact claimant without success. Claimant has not served any initial disclosures, and, presumably, therefore does not intend to proceed with this matter or have objection to the withdrawal.

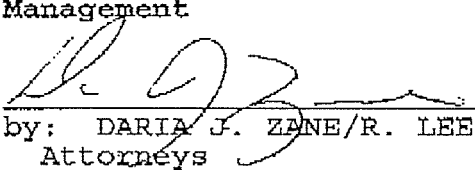

WHEREFORE, for the foregoing reasons, the United States requests that the Court permit it to withdraw this objection or

that the Court dismiss this objection. The United States also requests that the Court vacate the settlement conference scheduled.

Respectfully submitted,

UNITED STATES OF AMERICA
on behalf of the Bureau of Land
Management
