Descriptive Summary

This is the United States' Motion to Withdraw or
Dismiss Its Objections and to Vacate Settlement Conference set
for February 1, 1995.

The United States hereby moves to withdraw its objections to these claims. In support of this motion, the United States states that:

1. On or before March 1, 1993, the United States, on behalf of the Bureau of Land Management, filed timely objections in subcase nos. 34-07124 and 34-07407.

2. On June 18, 1993, the Idaho Department of Water Resources (IDWR) filed its responses to these objections.

3. On June 21, 1993, the United States filed its Notices of Withdrawal of Objections.

4. Shortly thereafter, at a monthly status conference, the Court ruled that the United States' Notices of Withdrawal would be accepted if IDWR or the claimant had not filed a response to the particular objection prior to receiving the United States' notice. In cases where a response had previously been filed, such as these, the parties would have to resolve the matter as with any other subcase.

5. Prior to resolving these subcases, the Court stayed these matters pending resolution of the impact of the new legislation passed in early 1994.

6. In December 1994, the stay was lifted. Shortly thereafter, the Court set these subcases for settlement conference.

7. The United States has decided not to pursue these objections. There are no other objections in these subcases currently pending before the Court.

8. A settlement conference is currently scheduled in these subcases and initial disclosures have already been filed.

9. Because the United States does not intend to pursue these objections, there are no outstanding issues regarding these objections remaining. Thus, there is no reason to hold a settlement conference.

10. The claimant has not served any initial disclosure in this matter and, presumably, does not intend to raise any further issues or have any objection to this withdrawal.

WHEREFORE, for the foregoing reasons, the United States requests that the Court permit it to withdraw these objections or that the Court dismiss these objections. The United States also requests that the Court vacate the settlement conference scheduled.

Respectfully submitted,

UNITED STATES OF AMERICA
on behalf of the Bureau of Land
Management
