Dear Mr. Wilson:

I have received your application for permit, however, there are some items which need to be completed before it can be processed.

In Item 6a, please indicate the size of your stock pond. This is necessary because we may have to include stockwater from storage. Also, is your pond located on the stream or are you diverting from the stream? Item 7 should also be filled in. Since your system is existing, one year is the normal time required. In Item 11b, indicate whether you own the place of use. Lastly, Item 13 is required. I have enclosed a map which may be used in place of this. Please be sure to show the source, tributary, and pond.

Please return the completed application to my attention. I will then complete the processing of your application.

Sincerely,

Linda A. Werner
