CUSTOMER

SELMA LAMB SALMON RIVER REALTY, STANLEY

SUBJECT: A71-10636, A71-10639

phone call (X) walk-in (.)

She is representing the buyer in a transaction in which the seller has two claims for two lots and only one well between them. A71-10636 is also known as Lot 3 of Meadow Tracts subdivision, has the well on the property, and is the one being sold. A71-10639 represents Lot 2 of Meadow Tracts subdivision, has no well and is being retained by the owner. Wanted to know how to handle the ownership change? Told her to just do the change on A71-10639 and I will put a note to the file of A71-10636 saying the owner has a year to drill a replacement well for it if he wishes the claim to remain valid with the same priority date, otherwise he will have to file a new claim when he drills the well in order to have a water right.
