Dear Wanna,

This is to inform you that I would like to withdraw my objection to the notice I had on water right **71-10665C**.

I thought that there was a typographical error on the period of use but further research disclosed that this was an extension of the date on my irrigation water right # 71-10665 to allow for an additional month of stock water.

Please withdraw my objection that I had made earlier.

Very truly yours
