Attachment 1

Section 4.b of the Operations and Easement Agreement signed by NMID on July 16, 2013, and by IDFG on July 31, 2013 provides, in pertinent part:

NMID's Late Claim No. 63-33739. On January 31, 2013, NMID filed a Motion to File Late Claim for water right no. 63-33739. In the event water right no. 63-33739 is decreed, NMID hereby subordinates water right no. 63-33739 to IDFG's junior water right nos. 63-7879, 63-9194, and 63-11256. NMID agrees that a condition, enforceable by IDWR, that subordinates water right no. 63-33739 to IDFG's water right nos. 63-7879, 63-9194, and 63-11256 and their progeny will appear on the face of the partial decree for water right no. 63-33739.

The sole purpose of this objection is to ensure that the above-referenced subordination condition appears on the face of any partial decree for water right no. 63-33739.
