RE: Standard Forms 3 and 5, Subcase 34-00312B

We have recently bought the property with water right 34-00312B. Enclosed is the signed *Standard Form 5* for the agreement on this subcase. We have signed as the claimant as per the instruction of the Chief Deputy Clerk of the District Court for the Snake River Basin Adjudication. Also enclosed is a copy of *Standard Form 3, Substitution of Party* that was filed with the court in order to change the claimant name from the Estate of Chester E. Harper to our names.

Should you need to discuss this matter further, we can be reached at (208) 554-4013.

Sincerely,

A handwritten signature in cursive script that reads "Timothy S. Olson".

Timothy S. and Karen I. Olson
