Re: 95-14326

Last year we sent a letter explaining the requirement of obtaining a permit to develop a water right after May 20, 1971. We are recently received an updated tax lot list. The county indicates that the household that you filed a claim on, may have been built in 1968. If you are in agreement with that date please change to date in item #2 and return the claim to our office.

Sincerely,
