Re: 95-12631

We received your Change in Ownership form. Last year we sent a letter to Dave Harris explaining the requirement of obtaining a permit to develop a water right after May 20, 1971. We are recently received an updated tax lot list. The county indicates that the household may have been built in 1957. If you are in agreement with that date please change to date in item #2 and return the claim to our office.

Sincerely,
