In Re SRBA

Case No. 39576

) Subcase Nos. 34-10694

)
) ORDER GRANTING MOTION TO
) VACATE SETTLEMENT
) CONFERENCE

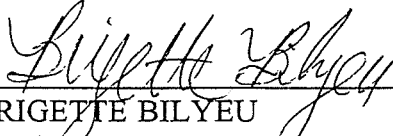

On January 17, 1995, the claimants, Raymond E. and Marcell J. Bright and Jack Demorest made an oral motion to vacate the settlement conference for this subcase scheduled for January 25, 1995. They argued that they needed additional time prior to the settlement conference in order to see what response would be filed to their late objection and thus to understand what would be at issue in the subcase. The court granted the motion to vacate and further ordered the parties to submit a *Stipulation to Reset hearing* according to the requirements of *Administrative Order No. 8*. On January 23, 1995, the court received a *Stipulation* in which the parties stipulated to reschedule a settlement conference in this subcase for May 23, 1995. The parties **failed to comply with *Administrative Order No. 8*** because they did not contact the clerk of this Court to obtain alternative dates and times for the settlement conference. In a court case such as the SRBA, with thousands of parties and complex procedural considerations, it is important for the parties to fully comply with *Administrative Order No. 8*.

IT IS ORDERED that the Settlement Conference previously scheduled for January 25, 1995 is **vacated**. The parties must, however, fully comply with the requirements of *Administrative Order No. 8* before the court is able to reschedule the settlement conference. The

parties must contact the clerk of the court before February 3, 1995 to reset the settlement conferences on this subcase. RECEIVED

IT IS SO ORDERED. 2001 DEC 1
