PROPOSED ELEMENTS OF A WATER RIGHT

This form is used to report the proposed elements of one federal reserved water right or one water right acquired under state law. Submission of this form will not result in the automatic issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law, and have appeared, prosecuted and defended their positions with regard to this water right dispute.
