Case No. 39576

)

On February 1, 1995, a *Standard Form 5, Proposed Elements of a Water Right* was filed with the court for this water right. The signatories to the *Standard Form 5* are: the claimant, Six Flags, Inc.; the objector, the United States through the Bureau of Land Management; and the respondent, State of Idaho Department of Water Resources. However, on January 25, 1995, this Court entered *Order Dismissing United States' Objection and Dismissing United States as Party to Subcase*. Although the United States signed as a party to this subcase, their signature was not needed on the *Standard Form 5*. It appears that all other necessary parties to this subcase are signatories to the *Standard Form 5*.

The *Standard Form 5* which was submitted in this case, however, appears to be incomplete for the following reasons:

- ☒ [X] A copy of the recommendation contained in the director's report for this water right was not attached.
- ☐ [] The parties failed to provide the court with a required statement for element _____.
- ☐ [] The parties provided a mere conclusory statement for element(s) _____ instead of a complete statement which fully describes all the stipulated facts, documents, expert opinions and law which support this element of the water right.

- ☐ The parties failed to provide the court with a required statement describing the stipulated facts, documents, expert opinions and law explaining why this claim is withdrawn.
- ☒ The parties provided a mere conclusory statement for element 10 instead of fully describing why these matters are necessary to define this water right, and fully describing why these matters do not fall within the nine elements listed. The statement required for element 10 should include a full explanation of the stipulated facts, documents, expert opinions and law which support including this as a separate element of this water right.
- ☒ The legal description appears incomplete as to element 8.
- ☐ Other:

IT IS ORDERED that the parties to this subcase shall submit an *Amended Standard Form 5* which complies with all of the requirements of Standard Form 5 no later than **March 10, 1995.**

IT IS SO ORDERED.

DATED February 3, 1995.
