) DISMISSING UNITED STATES AS
) PARTY TO SUBCASE; and
) REQUIRING STANDARD FORM 5

According to the Director's Report, Water Right Number 34-10219 was claimed by Jack L. and Jean H. McAfee. The only objection to this water right was filed February 26, 1993 by the United States Bureau of Land Management on the basis that a private individual had claimed a water right for use on public land. The State of Idaho Department of Water Resources filed a response on May 28, 1993. Subsequently, on June 21, 1993 the United States filed its *United States' Notice of Withdrawal of Objection (Notice)* stating, "The United States has no objection to the specific elements of this water right being decreed as recommended in the Director's Report for this Reporting Area."

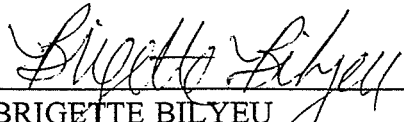

The court will treat the *Notice* as a request by the United States to withdraw as a party to this subcase, and dismiss its objection with prejudice. No party to this subcase has filed an objection or other pleading responding to the *Notice*.

Therefore, based on the file and record herein, and good cause appearing, IT IS ORDERED that the United States is **dismissed as a party** to this subcase. IT IS FURTHER ORDERED that the objection filed by the United States is **dismissed with prejudice**.

IT IS ORDERED that the remaining parties to this subcase shall submit a *Standard Form 5, Proposed Elements of a Water Right* no later than **March 10, 1995**.

IT IS SO ORDERED.

DATED February 6, 1995.
