The above-captioned water right was claimed based on a permit prior to the issuance of the license. On February 22, 2002, a *Partial Decree* was entered for the right based on the permit. The Director of the Idaho Department of Water Resources ("Department") subsequently issued a license for the water right. On March 8, 2013, the Department filed a *Notice of Completed Administrative Proceeding* informing the Court of the issuance of the license, as well as an *Amended Director's Report* reflecting the elements of the claim as licensed. On March 15, 2013, this Court issued a *Notice of Court's Intent*, setting forth its intent to issue an *Amended Partial Decree* in this matter consistent with the license.

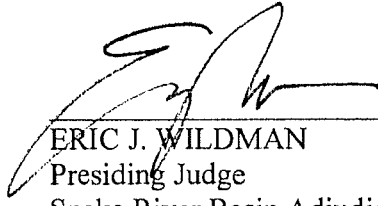

On July 10, 2013, the United States filed a *Motion* asking this Court for leave to file a late objection to the *Notice of Completed Administrative Proceeding*. A hearing was held on August 20, 2013. At that hearing, for reasons set forth on the record, the Court directed that this matter be stayed for a period of ninety (90) days.

THEREFORE, THE FOLLOWING ARE HEREBY ORDERED:

1. The above-captioned proceeding is stayed for a period of ninety (90) days.
2. Notice is hereby given that a status conference in the above-captioned matter is set for **November 19, 2013, at 1:30 p.m. (Mountain Time)** at the Snake River Basin
