Re: 95-14215

Last year we returned your Notice of Claim to a Water Right with a letter explaining about the May 20, 1971, date requiring a permit. We received new information from the county that indicates that the lake cabin was built in 1962. If you are in agreement with that date, please change to date in item#2 on the claim and return it to our office.

Sincerely,
