

CLAIM # DITCH LAYOUT AT THE SW CORNER OF THE SE1/4 OF SECTION 7
DATE PHOTO TAKEN; 6-27-94
PICTURE # 1

This photo shows the Antelope springs/Poison Hollow ditch carrying a small ammount of water at this point. You are looking west toward the drainage which is the source for this water. The Green Creek ditch is just to the right of this photo and parallels this ditch to the west.

PICTURE # 2

This photo shows the Green Creek ditch and the location for the above picture. You are looking northwest in this photo. The diversion from this ditch shown on the extreme left carries water north approximately 100ft into the other ditch.
