RE: 94-9234

Dear Mr. Watts:

We are returning your Notice of Claim. The date of priority is listed as December 1, 2011, which is the same date you signed the claim. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then change the date and return the claim. The amount of water in item#6 needs to be entered. The most common amount is 0.02 per in house use per home. So for two trailers it would be 0.04 cfs.

Sincerely,
