Dear Sirs:

I am enclosing an Amended Notice of Claim to a water right on behalf of 7 UD Ranches of Rockland, Idaho, claim identification #A41-10066.

That Amended Claim is being filed to correct the point of diversion and use. Apparently the original claim had the quarter section designations reversed, which placed the claim on Bureau of Land Management Land instead of upon the 7 UD Ranches property. We have therefore corrected that.

I understand from a previous call to your office that there is no fee for filing that amended claim. If that is not so, please contact me. If you need any additional information please feel free to contact me.

Sincerely,

Lyle D. Eliassen
