RE: SRBA CLAIM NOS. 41-04003 & 41-10030 & 41-10084 & 41-00013A
PRELIMINARY RECOMMENDATIONS

Dear Mr. Weston,

As we discussed at our meeting of July 9, 1999, I have corrected the two domestic claims as agreed. I am still holding 41-00013A (Jackson Ditch - 10 ac.) for review with the Spillett information.

You submitted the pump information from Funk's and after reviewing that document I find it describes the domestic system that replaced the previous irrigation system. In order to recommend the right as a valid irrigation right, I will need evidence of the system as it existed while used for irrigation. At this time, I cannot confirm the claim for irrigation.

Please feel free to contact me if you have further questions.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent
