RE: Notices of Claim to a Water Right No. 91-7135

Dear Daniel,

Enclosed for your review and signature is an amended claim for water right no. 91-7135, since the claim you previously filed was on the form for Domestic/Stockwater use only which is limited to 13,000 gallons per day, and could not properly reflect the water right as it was licensed for Domestic and Irrigation use.

In addition, our records indicate that you paid a \$25.00 filing fee, but this claim would require a \$51.00 filing fee since you have claimed one acre of irrigation. Please sign this claim and return to us with the additional \$26.00 filing fee, in order for us to complete the review and recommendation of your water right.

If you have any questions regarding these claims, please do not hesitate to contact our office.

Sincerely,

Lori Harris
