RE: SRBA CLAIM NOS. 41-04031, 41-10094, 41-10238 & 41-10239

Dear Mr. & Mrs. Walker,

You recently submitted several checks, claims, and ownership changes with our department and the following is a summary of the review of those documents.

First, the changes of ownership on 41-04031 & 41-10094 do not require payment of fees so I am returning your checks #3470 & 3471; each for \$25.00. Secondly, I have enclosed the receipt and claim copy for the two new claims you have filed; A41-10238 & A41-10239. Third, you will find the remaining two claims being returned along with the checks attached; checks #3466 & #3467 each for \$25.00. These each claim surface water after 1971 and therefore are required to be licensed under the mandatory permit statutes. However, if you still wish to file these claims in the SRBA simply return them with a letter stating you still want them filed.

Finally, enclosed you will find a brochure "Evidence of Priority" which describes the establishment of the priority date of your water right. Your claim A41-04031 lists a priority date of 1880, which has not been supported by any further documentation or evidence. In order to recommend the right as a valid irrigation right, I will need evidence of the use for irrigation. At this time, I cannot confirm the claim for irrigation.

Sincerely,

Steve Clelland

Sr. Water Resource Agent
